

Welcome to the latest edition of giftnews!

We are very excited to announce that we are adding to our vast gift and Christmas collections this Summer with two fantastic new ranges and a new selection from Lady Jayne.

Fairfull is now the official distributor of Village Candles and we are bringing on board Paper + Design products. A selection of our new products are featured in this newsletter but to see the full ranges please contact your local representative or visit us at one of the Summer Trade Shows in Harrogate, Dublin or Birmingham.
